# TypeCon 2009: Poster Gallery Curated by YouWorkForThem July 14-19. Atlanta, GA

---

YouWorkForThem is curating a poster show for TypeCon 2009. We are looking for posters that feature typography-centered work. The poster can be literal or abstract, new or old, personal or client related, BUT it has to have some strong relationship to type. You can use your own, or other peoples typefaces however you like.

You will need to send 2-3 **non-returnable** posters and completed entry form to the address below before July 3rd. We look forward to seeing your work! Last time we curated the Typecon poster show, it was picked up by a local printing gallery and the time before it travelled around the world. Make it good!

#### Send your posters to:

Claire Danielson/Portfolio Center  
Typecon Poster Show  
125 Bennett St.  
Atlanta, GA 30309

Include a completed and printed copy of Page 2 of this PDF with your poster.

Please ship posters early to meet **July 3rd** deadline.
